Scaleby News

Welcome to the Summer 2013 Edition of the Scaleby News sponsored by Scaleby Parish Council!

Scaleby Welfare Committee

Scaleby Welfare Committee was formed 50 years ago by a group of local ladies. They wished to maintain the traditions of community spirit when the Women's Institute ceased due to a lack of members. Fundraising events helped to provide activities and fun events especially aimed at the children and senior citizens of the local parish. On Saturday 11th May, past and present members of the committee had afternoon tea in the village hall to celebrate our 50th anniversary. Everyone had a lovely time and enjoyed the chance to have a chat and reminisce about the past.

Scaleby Welfare Committee continued...

Chrissie Thomlinson, one of the founder members, cut the cake and Margaret Grieve toasted the occasion. This year our main fundraiser will be a Grand Draw with some super prizes. A list is on display in the hall and tickets are available now from all committee members. Local businesses and parishioners have donated some excellent prizes and we would like to thank them for their kindness and support. The tickets will be drawn on 8th November at our evening Craft Fair.

Children's Summer Play Schemes

We are delighted to announce that three summer activity days will be held for children aged between 5 and 12 in the Village Hall. Activities will be provided on **Thursday 1st, 8th and 15th August** for just **£3 per day**. Please see the enclosed leaflet for full details and how to book your places.

Community Led Plan

The final Community Led Plan has now been adopted by the Parish Council we are delighted to enclose a copy for you. A copy is also available to download from our website (www.scalebyparish.org.uk). The Parish Council will now look to work with the other groups and organisations mentioned in the plan and begin implementing its action plan over the next three to five years. If you have any query about any aspect of the plan please don't hesitate to get in touch. We must take this opportunity to say another **Thank You** to both **Clive Moth** and **Marie Grieves**. Without all of their hard work the Plan would not have been possible.

New Councillor

The Parish Council were very pleased to co-opt **Mr George McGarr** at their March meeting. Cllr. McGarr is already proving to be a very informed and useful member and we look forward to working with him.

John Mallinson is your local County Councillor. If you have a County Council related issue which you wish to raise he can be contacted at: john.mallinson@cumbria.gov.uk or on 01228 533 746.

Love Where You Live—How you can help keep Scaleby Clean

Jane Rimmer has been an Education and Enforcement Officer for Carlisle City Council for nine months. Among other things she and a newly-formed team of five officers are responsible for educating communities to keep their neighbourhoods clean, as well as enforcing dog fouling, littering, flytipping and flyposting legislation. We were delighted to welcome her to our recent Parish Council meeting in May to discuss the problem of dog fouling.

Dog fouling is unsightly, unpleasant and can pose a risk to human health, and while the majority behave responsibly and pick up after their dogs Carlisle City Council are keen to tackle the problem of dog mess left by a minority of irresponsible dog owners. Please make sure you're not one of the bad guys! Some Golden Rules to help you are:

- Take a supply of bags out with you whenever you walk your dog
- Pick the mess up straight away, seal the bag and place the waste in a bin
- Do not throw the bag over a fence, hang it in a tree or leave it on the pathway
- Make a note of public bins on your route so waste can be disposed of properly, and if this is not possible, take it home and put it in your own bin

Put simply, **it is an offence for a person in charge of a dog to fail to remove faeces forthwith.** Being unaware that your dogs has fouled is no defence and it carries a Fixed Penalty of £80 which if unpaid leads to prosecution in a magistrate's court. There, the maximum fine for failing to pick up after a dog is £1,000. However, without information from residents it is extremely difficult to deal with those responsible for the problem that affects everyone in the local community. Please contact the Clean Neighbourhood Team on 01228 817559 or email them on lovewhereyoulive@carlisle.gov.uk with any information you may have, and help them to help us.

Chairs Report

The main focus for the past year has been rectifying the problems we discovered at the car park. Unfortunately the concrete we had laid was proven to be defective. Thanks to very generous grant funding, especially from the City and County Council, we have been able to tarmac over the top of it, using the concrete as a base. The car park now looks fantastic and we hope will last for many, many years.

Also this year we have planted some additional bulbs to compliment those planted last year. A successful litter pick was also held—thanks to all those who volunteered. Lots of rubbish was collected!

A huge project in the parish has been the completion of the Community Led Plan. Thanks to Clive Moth, Marie Grieves, James Bell and Peter Annis for all their hard work. This plan will lead the Council's direction over the next few years.

Finally, thanks must be given to all the Councillors for their invaluable contribution, to the Clerk for all her work and also to City Councillors Bowman and Bainbridge and County Councillor Mallinson for their continued support. *Linda Thompson.*

Litter Pick

Plans are being made to undertake another litter pick during the summer. Full plans are still being finalised but please keep a watch on the noticeboards and website for confirmation of the date once we have it set.
